Honorable Richard Ieyoub  
Commissioner of Conservation  
Office of Conservation  
Post Office Box 94275  
Baton Rouge, Louisiana 70804-9275

**RE:    APPLICATION**  
**Applicant: EBR Louisiana, LLC**  
**Frio Zone, Reservoir A**  
**Northeast Iowa Field Area, Jefferson Davis Parish, Louisiana**

Dear Sir:

Application is hereby made on behalf of **EBR Louisiana, LLC** ("Applicant") for a public hearing to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Frio Zone, Reservoir A, Northeast Iowa Field, Jefferson Davis Parish, Louisiana:

### **Frio Zone, Reservoir A**

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the Frio Zone, Reservoir A, in Northeast Iowa Field, Jefferson Davis Parish, Louisiana.
2. To create a drilling and production unit for the exploration and production of gas and condensate from the Frio Zone such proposed unit being shown on the attached plat and being designated F RA SUA.
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis.
4. To provide that the Commissioner of Conservation may reclassify the reservoirs by Supplemental Order and without the necessity of a public hearing should such a reclassification be warranted based on evidence furnished to the Commissioner.
5. The Frio Zone is hereby defined as that gas and condensate bearing interval encountered between the electric log depths of 8,970 feet and 11,950 feet in the Magnolia Petroleum Company – Powell Lumber Co. No. C-1 Well (Serial No. 48350), located in Section 31, Township 8 South, Range 6 West, Northeast Iowa Field, Jefferson Davis Parish, Louisiana. The Frio Zone has been previously defined and adopted under Order No. 39-X, effective August 19, 2008, in Iowa Field in the Magnolia Petroleum Company – Powell Lumber Co. No. C-1 Well located in Section 31, Township 8 South, Range 6 West, Jefferson Davis Parish, La., as the stratigraphic interval encountered between the depths of 8,970 feet and 11,950 feet (electrical log measurements).
6. To consider such other matters as may be pertinent.

A conference was held on Thursday, May 15 2017, at the Lafayette Petroleum Club located at 111 Heymann Blvd., Lafayette Louisiana. On behalf of EBR Louisiana LLC, I opened the meeting and explained the Northeast Iowa unit proposal. David Comeaux, representing the Marcantel Family interests, proposed a counter plan extending our western boundary further west. After adjourning the meeting and conferring, we have resolved our differences and have enclosed the compromise unit plat.

Pursuant to the Revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Represented Parties and Interested Parties to who notice of this application is being sent and has attached hereto a list of the names and addresses of such parties. A copy of the unit plat is enclosed herewith and a copy of this letter and of the attached plat is being sent to the District Manager of the Lafayette District of the Office of Conservation and to the Interested Owners, Represented Parties and Interested Parties as shown on the attached list.

Applicant will provide for posting of a copy of the Legal Notice of this hearing and the enclosed plat at a prominent place in the area affected and will cause publication of the Legal Notice in a newspaper published in the general area of the Subject Field, all in accordance with the Revised Rules of Procedure. Furthermore, a copy of the Legal Notice will be mailed to all Interested Owners, Represented Parties and Interested parties promptly upon receipt of the Legal Notice from the Commissioner.

Finally, we enclose our check payable to the Office of Conservation in the amount of \$755.00 for the application fee.

Sincerely,

**Bryan S. Groves**  
Geologist

Interested Parties (w/plat only)

**P.S. To all Interested Owners, Represented Parties and Interested Parties:**

You may have received this Pre-application notice letter even though your property is not included in the proposed unit because the Revised Rules of Procedure require us to attempt to also notify everyone owning an interest in the area "proximate to" the proposed unit.

Your receipt of this letter does not require you to take any action. It is meant to notify you of these proceedings so that you have the opportunity to participate if you so desire.
