Re: Unit Termination, Tuscaloosa  
Marine Shale, Reservoir A, Order  
No. 1395-A, Effective October 9,  
2012, Richland Plantation Field,  
East Feliciana Parish, Louisiana

Dear Commissioner Ieyoub:

Pursuant to Statewide Order No. 29-L-3, application is hereby made on behalf of Richland Farms, Inc. to terminate the referenced unit in the Richland Plantation Field, East Feliciana Parish, Louisiana.

A diligent search of the production data indicates that as to the above reservoir(s) a period of one (1) year and ninety (90) days has elapsed without:

1. Production from the pool(s);
2. The existence of a well proven capable of producing from the pool(s); and,
3. Drilling, reworking, re-completion, deepening or plugging back operations having been conducted on a well to secure or restore production from the pool(s).

Therefore, termination of the above referenced unit is requested under the authority contained in Louisiana Revised Statute 30:4, et seq., pursuant to Statewide Order No. 29-L-3.

The subject unit was never drilled. In support of the application, there is attached for the pool under consideration:

Hon. Richard P. Ieyoub

1. A plat showing the only existing unit established for the pool and each well located thereon, the Order number and effective date of the Commissioner's Order creating said unit;
2. A signed statement indicating the status of each well within the unit for which termination is being requested; and,
3. A signed statement affirming that the requirements of Statewide Order No. 29-L-3 have been met.

These statements are being submitted to the Commissioner of Conservation and the District Manager of the Lafayette District of the Office of Conservation ONLY. Copies of the statements will be provided to any person upon request.

In addition, a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties who are being furnished a copy of this application is attached hereto. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any person requesting a copy of it. A reasonable effort has been made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed please find our check payable to the Office of Conservation in the amount of \$252.00 representing the required application fee.

Very truly yours,

James L. Bullen
