SUPPLEMENT TO
OFFICE OF CONSERVATION ORDER NO. 1395-A

Supplemental Order concerning termination of the unit(s) created for the **Tuscaloosa Marine Shale, Reservoir A, Richland Plantation Field, East Feliciana Parish, Louisiana.**

Pursuant to authority contained in Louisiana Revised Statutes of 1950, Title 30, Section 9.1 after consideration of information presented on behalf of **Richland Farms, Inc.**, in compliance with the provisions of Statewide Order No. 29-L-3, the Commissioner of Conservation finds as follows:

1. The unit(s) for the Pool known as the Tuscaloosa Marine Shale, Reservoir A, Richland Plantation Field, East Feliciana Parish, Louisiana, was created by Office of Conservation Order No. 1395-A, effective October 9, 2012.
2. That a period of one year and ninety days has elapsed without:
 - (a) Production from said Pool; and
 - (b) the existence of a well proven capable of producing from said Pool; and
 - (c) drilling, reworking, recompletion, deepening or plugging back operations having been conducted on a well to secure or restore production from said Pool.

3. That since sufficient time has elapsed without the occurrence of any of the conditions set forth in Louisiana Revised Statutes of 1950, Title 30, Section 9.1, with respect to said Pool and application for termination of said Unit(s) has been made and published according to law without the receipt of written objection thereto within the time provided, such application should be approved.

ORDER

NOW, THEREFORE, IT IS ORDERED THAT:

1. All Units established by Office of Conservation Order No. 1395-A, effective October 9, 2012, for the Pool known as the Tuscaloosa Marine Shale, Reservoir A, Richland Plantation Field, East Feliciana Parish, Louisiana, be and are hereby terminated and shall have no further force and effect.

This **Supplemental Order** shall be effective on and after **June 22, 2018**.
